ARUSHA REGION
TERMINAL EX MAY 2021
BIOLOGY FORM ONE MARKING SCHEME OF BIOLOGY

SECTION A (30 MARKS)

1.

QN	I	II	III	IV	V	VI	VII	VIII	XI	X
ANS	B	C	B	C	A	D	A	A	B	A

@1

TOTAL 10 MARKS

2

QN	I	II	III	IV	V	VI	VII	VIII	XI	X
ANS	T	T	F	T	F	T	F	T	F	T

@ 01

TOTAL 10 MARKS

3.

QN	I	II	III	IV	V
ANS	B	D	C	E	A

@ 01 = 5 marks

4. i) Life – 01
ii) Invertebrates – 01
iii) Virology – 01
iv) Searching for Food, mate, water, light etc shelter
any 2 @ ½
v) clock or Watch. – 01

Total = 5 mark

SECTION B (50 MARKS)

5 a) i) It helps to understand our environment better
ii - It identify ~~any~~ group of living things
iii - It helps to appreciate nature
iv - It helps to acquire research skills ~~to use in~~ for investigation.
v - develops of higher-yield and disease resistant varieties
vi - To know causes, symptoms, transmission preventive and treatment of diseases
vii - Help in career development e.g Teacher, Nurse, Doctors etc.
viii - Improve home management techniques.
ix - encourage international cooperation among biologists.

any 5 @ 01

b) i) It Moves
ii) It respire
iii) It reproduce
iv) it Sense
v) It grow and develop.
vi) It excrete
vii) Under go Nutrition.

any 5 @ 01.

Total = 10 Mark

6 a). Do not enter in the ~~lab.~~ Laboratory without permision
- Do not taste substances during experiment.
- Know the location of all exits.
- Do not leave an experiments unattended.
- Do not Point burners or hot substance to your fellow.
- Do not take chemicals, Specimens and equipmene out of the lab. etc

any 5 @ 01

b). Botany - 01
- Zoology - 01

c) - should have preparation room
- Should have store to keep apparatus specimen
- Should have Adequate space
- Should have proper lighting any 3 @ 01
- Should have Good Ventilation
- Should have source of water
- Should have source of heat

Total = 10 marks

7. a). Identification of a problem
- Asking question
- Hypothesis
- Experiment
- Data recording @ 01 = 07
- Data Analysis
- Conclution

Total 10 marks

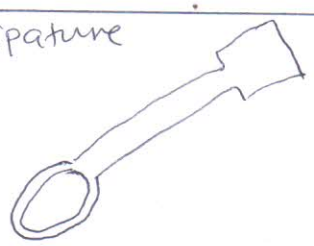

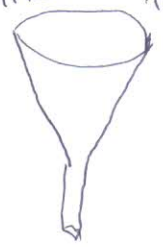

b) i) Observation
ii) Measurement @ 01 = 03
iii) Experimentation

8 a) i) First aid - is the help given to the victim before hospitalized. -01 mark

ii) First aid kit - is a small box Contain chemicals and tools needed to give first aid. 01 mark

8 b) (i) Relieving Pain
ii) Securing bandages @ 01 = 03
iii) cleaning wounds to kill germs

c)

i) Frasile 	ii) Spature 	iii) Filter funnel 
iv) Radioactive 	v) Fishing net 	@ 01 = 05

Total = 10 marks

9. a (i) Waste - are materials that are no longer needed =1½
ii) waste disposal - is the way of getting rid of waste 1½

b) i) Reducing ii) Reusing iii) Recycling @ 01

c) (i) Paper, plastic, glasses, etc any 2 @ 01

ii) Scrap metal, Paper, tyres, cans, constructive waste any 2 @ 01

Total = 10 Marks

SECTION C (20 marks)

10
- Make the Environment ugly.
- Harm aquatic animals and plants.
- Cause a breeding ground of pests and vector
- Can cause accident of cut or piercing e.g broken glasses and syringes
- Harm animals e.g Plastic bags any 5 @ 04 mark
- Cause blockage of draining System Total = 20 mark
- Cause water and air pollution
- Degrade the natural beauty of environment

11 • Microscope - is an instrument used to magnify very small specimen. 02

• Part of microscope that has leng are
  - Eye piece leng 02
  - objective leng. 02

• Way to ~~hand~~ use light microscope
  - Place the microscope on flat surface like table or bench not at the edge.
  - Mount the specimen on a slide and cover it with a coverslip.
  - Make sure that the low power objective leng is inline with the eye piece leng
  - place the slide with specimen on the stage hold it by clip
  - while looking through the eyepiece, adjust the mirror to direct the light to the specimen on the stage
  - Adjust the coarse adjustment knob to bring the specimen into focus and the fine adjustment knob for sharp focus.
  - etc any 5 @02

• i) Mirror - reflects and direct light to the specimen under observation. 02

ii) Stage - Surface on which the specimen is placed. 02

Total 20 marks
